Hi Gerry,

No problem. Here is the revision that we submitted to Ecosphere in April.

Please use this as needed, but please do not distribute to others, since the MS is still under review.

I have not heard back from the journal. But now that is more than 3.5 months, I will contact them on Monday.

Best regards,

Nadav

Hi Nadav and Jaime,

Russ made some revisions in the Draft FEIS for the mouse project based on updated analyses that were included in the ms you submitted for publication. I'll need to have a copy of that if we're going to use it in the EIS. Can you please send me a copy of the submitted version?

Have you received reviews yet?

Thanks.

Gerry
