[Vertebrate Pest Conference 2020 Draft Schedule.pdf](#)

---

Feel free to pass these on to Matt. Also available from [vpc.org](http://vpc.org), including the final schedule. There were also several vendors with info or demonstrating products such as Contrapest, traps, etc. I picked up some brochures and a sample of a rodent proofing compound called Rodent Stop. I think the vendor list might be in the final schedule (available on the website).
