**Subject:** Farallon mouse project public scoping and partner meeting, May 12  
**Date:** 04/27/2011 05:11 PM

---

Our public scoping meeting for the Farallon mouse project will be May 12, 6-8 PM, at Fort Mason in San Francisco.

I would would also like to invite you all to a partner meeting from 1-5 PM, prior to the Scoping Meeting, to discuss the status of the project, what to expect in the foreseeable future, and the many things to do. For those that cannot attend in person, we're working on getting a teleconference phone.

Please let me know if you will be able to make the partner meeting from 1-5 PM on May 12. An agenda is forthcoming, as well as an announcement for the public scoping meeting.

Gerry
