Patricia,

Thanks for getting to this so quickly. I have a few edits, attached. Also, I'm checking with Mendel on who the best person is to receive these, given I could have some scheduling conflicts when they'll be coming in. Will probably still be me, but I'll let you in a day or so.

Gerry

Subject: NOI for Farallones

Hi Gerry,
Here is the draft NOI that I modified from the one I sent you last week. If you are good with this I will start the surname and signature process. I know you are busy, but it can take a while to get these back from Barbara and I can't send it to DC without the Solicitor's surname, so the sooner you can look at this the better.
