Thx Gerry,

I'll be going over all of the budgets and resolutions tomorrow, so this is timely. I'll let you know if I have any questions.

Subject revised Luckenbach budget, Murre Colony surveillance

Janet,

Attached is a revised budget for the murre colony surveillance and monitoring, based on our discussions at the TC meeting. The most significant change was an addition of \$25,000 to have our ACCESS database overhauled. This can be covered with carry over funds, so you'll see it is shown, then subtracted, for budgeting purposes. Thus, we request \$403,533.10 for FY2012. Of this, \$139,954.06 is for in-house use, while \$263,579.04 is for cooperative agreements/contracts (pass-through).

Please let me know if you have any questions. Thanks so much for your continued support.

Gerry
