Good Afternoon Folks,

Sorry that the Q & A session lasted so long, but it really shows that you are were engaged in the discussion! As such, we didn't have time to share the video on the webinar, as promised. For anyone interested in viewing the Desecheo Film Project video, please find it at the link below (but please don't share further without permission from the USFWS and Island Conservation):

Desecheo Film Project (<https://www.youtube.com/watch?v=adz6yj90fNE>)

Best,  
Jim & Jamie
