**Date:** 02/16/2012 04:51 PM

---

Apologies for not getting this out earlier. Has been a very crazy week. Attached are: Agenda; Summary of cooperating agency comments received on the alternative selection process draft model and report; and compilation of the original agency comments. EPA comments were just received this afternoon so have not been incorporated into the comment summary.

Please let me know if you can't make it in person and we'll have you call in.

Gerry
