Date: 10/03/2012 10:15 AM

Hi Gerry,

I am editing the cumulative impacts section of chapter 4 in the EIS and have a question about a couple of construction projects. Can you please provide some detail about the habitat structure construction project and the Murre wall construction project? Also, can you please fax the signed ATF letter to 831-459-1476 before 1pm this afternoon? Thank you,

Gabrielle
