Hi, I could be available on the 9th or 10th to go to Fremont in the morning. I could also do the morning of the 7th or 8th in San Francisco, but I teach at 12 so need to be on campus on those days. Anyone else available?

I could be available Jan 12, 13, or 19. Would prefer to meet here at Refuge. Jonathan should be available then, too.  
I'll be out of the office next week. Please work with Jonathan to set up a meeting date and time.

Thanks.

Hi Barbara

Yes we are interested... we should probably meet with USFWS to talk about a potential long term monitoring plan.

Gerry... what dates/times work for you?

Thanks,
