Janet et al.,

Attached please find the signed cost summary for SF Bay NWRC project 81640-9822-0618 (Luckenbach Farallon), including original spreadsheet and backup documentation.

Please note that in the Grand Sum sheet, I used FWS indirect rates of 29.5% (FWS) and 6% (contracts), although this was not what the OFT indicated. Please see my previous email about that. You can change this if need be.

Please let me know if you have any questions.

Gerry
