Hi Ria,

Here's what I have for now. We may/may not get some additional funds to add but Karl wants me to get this in now.

Please add \$9,674.00 (*NOT* \$9,675.00 as I indicated before) to PR0040365269 (F16PX02667 Mod 1 Environmental Policy Solutions). The funding information is as follows:

Cost Center: FF08RSFC00

WBS: FVRS72010880210

Amount: \$9,674.00

Cindy Ballard can certify the funds.

Thank you!

Thanks, Ria. Stand by. I'm waiting to find out about another couple thousand dollars. This will be from a different WBS. Will let you know before the end of the day.

Hi Gerry,

Sorry for the delay, I was out sick :(

I will just need to know the accounting info stays the same (FF08RSFC00, 15X, FX.HC83150809400) for the extra \$9675.00.

Thanks!

Hi Ria,

Left you a vm as well.

I'm going to need some additional funds added to PR0040365269 (see attached REXGEN). Will be somewhere around \$9600; will know exact amount shortly. Karl Lautzenheiser is working on the mod but it has not been done yet. He instructed me to work with you on the additional funds. What do I need to do?

Thanks. Call me if it's easier.
