Thanks. I did a search and they did not come up. My guess is that their registration expired; they have to be renewed annually. Can you ask them to renew it?

Hi Gerry -

Apparently I had only part of the company name: Kito Impact Foundation, DUNS#: 065962374. Might that work?

Hi Gregg,

I looked up Kito Impact (I hope I have that spelled right) but they didn't pop up. If they are registered, can you find out what their DUNS number is?

All gov't vendors have to be registered in <https://sam.gov/SAM/>. Anyone can search for a registered vendor. So, if you're interested, go to sam.gov, click on Search Records, and plug in the search term. I've had trouble finding vendors based on name that I was able to find with DUNS Number.

Sam.gov is also where you can register to be a vendor.
