Dear Mr. Bonds,

On behalf of the Sport Fishing and Boating Partnership Council (Council), I am writing to inform you that the Council reviewed nominations and voted to fill the two open seats on the Recreational Boating and Fishing Foundations board of directors at our recent meeting held on October 29, 2024.

The following appointments have been elected to fill the current vacancies and are effective immediately:

- Toby O'Rourke, President & CEO, Kampgrounds of America (At-large)
- Wayne Hubbard, Co-founder, Urban American Productions (Grassroots/advocacy)

In addition, the Council voted on the three board seats that are set to expire in February 2025. The following appointments will be effective at that time:

- Carly Hysell, Associate Director of Public Relations, Garmin
- Douglass Craven, Natural Resource Department Director, Little Traverse Bay Band of Odawa Indians
- Ronnie Green, Host & Producer, A Fishing Story

These appointments reflect the Council's commitment to enhancing the RBFF Board of Directors' expertise and diverse perspectives to further RBFF's mission and build upon your success.

Thank you for your attention to this matter, and I look forward to continuing the close partnership between the Council and RBFF as we work to increase angling and boating participation and an understanding of the importance of aquatic resources conservation..

Sincerely,

Chris Horton
Chairperson
Sport Fishing & Boating Partnership Council
