Director Williams,

I hope you have been well! Gwynne Shotwell, president and COO of SpaceX will be in DC next week and asked me to reach out to you to see if it might be possible to schedule a meeting while she is in town, if your schedule aligns. Recognizing the relative short notice, Gwynne would very much look forward to the opportunity to meet with you in person. She will be in DC on Tuesday, September 26 from 2:00 pm onward, and on Wednesday Sept. 27 and is available all day except for 1:00-2:00 pm ET, if you might have some availability during those times.

Apologies for emailing you directly on a scheduling request, but I did not have contact information for your assistant. We'd be happy to coordinate with your staff to work the scheduling side.

Thank you for considering this request!

Mat
