Yes, that is my understanding. Give me first thing in the morning to verify doubly.

Confirming that you are not hearing anything from deputies call that would suggest an answer different than Yes. Let me know. Thx

Hi Amy! I hope you got home smoothly after our meeting.

I am also checking on the status of the funding that we worked last week. I just want to verify that the Starship environmental activity will continue full force if there is (hopefully not, but...) a government shutdown. Can you confirm?

Thank you again and it was good to chat last week!
