Hello,

You're invited to attend a VIP launch event for [Starship's Second Flight Test](#) that could launch as soon as mid-November from Starbase, pending regulatory approval. It's likely we will only be able to give you a 3-5 day notice on the date, so please keep an eye out for another email with more information.

The event will take place near the SpaceX facility, so we would recommend accommodations in Brownsville. As with any tests, there is a chance we don't launch on the first attempt and will need a few days to recycle, so we appreciate your understanding if you decide to join us and the launch delays.

Once a date is confirmed, we'll provide additional details and the option to RSVP. We're looking forward to sharing our next milestone with you!

Thanks,
SpaceX Events Team
