All -

Thank you for your continued coordination on the SpaceX Starship-Super Heavy program at Boca Chica, TX. The purpose of this email is to inform you that FAA has not authorized SpaceX's proposed Flight 2. We understand that your agency might have received information about a potential November 3rd launch. FAA will not be making a license determination prior to November 3. FAA intends to provide agencies with a two-week notification of its license determination.

Thank you.

-Stacey
