---

Thank you Stephanie. Informative report. Good they seems they are getting a bit better at reopening, dealing with debris and putting out fires faster. We still need to deal with the water overflow. We will talk later about the nesting birds.

Mary

Good afternoon,

The 4<sup>th</sup> starship flight occurred yesterday, June 6, at approximately 7:50am. Attached is a post-launch report describing impacts observed on-site following the launch. Please let me know if you have any questions!

Thank you,

**Stephanie Bilodeau**
