

## U.S. Fish and Wildlife Service

Notice of Funding Opportunity No. F25AS00376 MENTOR – ApeHealth

### Frequently Asked Questions

The guidance indicates that applications are to be made via the [GrantSolutions](#) platform. Currently, our organization does not have an account on this platform but instead uses [Grants.gov](#) to apply for any US Federal Government grants/funding.

**Q. Are you accepting applications using Grants.gov?**

**A.** Yes, applications may be submitted either through [Grants.gov](#) or through GrantSolutions. If you choose to apply through GrantSolutions, instructions on getting started in GrantSolutions can be found [here](#). Additional instructions on applying through GrantSolutions can be found in the Notice of Funding Opportunity / SUBMISSION REQUIREMENTS AND DEADLINES / Submission Instructions.

**Q. The *Application Checklist* on p. 30 refers to “Items 1-10” of the *Project Narrative*. What are those ten items?**

**A.** Those ten items, as found in the *Project Narrative* section beginning on p. 11 are:

1. Project Title
2. Statement of Need
3. Project Goals, Objectives, Activities, and Methods
4. Project Timetable
5. Relevant Party Engagement
6. Support for Protected Areas
7. Project Monitoring and Evaluation

8. Description of Entities Undertaking the Project
9. Sustainability
10. Map of Project Area

**Q. Should Literature Cited also be included?**

A. Yes, Literature Cited should be included as an addendum.

**Q. Should the required 1-page CVs for key personnel and the Government/Impacted Party Letters of Endorsement be included as appendices?**

A. Yes.

**Q. Are other appendices allowable, for example an organizational chart, list of participating subject matter experts, etc.?**

A. Yes.

**Q. Should the required 1-page CVs for key personnel and the Government/Impacted Party Letters of Endorsement be included as appendices?**

A. Yes.
