Subject: Today's Discussion

Good morning, Jennifer—

Here is a synopsis of our January 2020 meeting on the Bitterroot to help kick-off today's discussion on BE Forum II. If we have time I'd also like to hear what you have to say about

the following:

- Occupied
- Metrics for effects to individuals (from your 11/2 presentation about the NCDE & the WG on-going conversations)

Talk soon!

Lydia
