## **Junior Wildlife Ranger Day**

Saturday, July 26, 2025

Location: Guam National Wildlife Refuge - Ritidian Unit

During Junior Wildlife Ranger Day, your child will learn about the importance of conservation for native and endangered wildlife and their ecosystems. They will learn about ocean and hiking safety. The participants will be outside for an extended period of time; walk along mostly flat, rocky terrain; walking along the beach, and sitting under a canopy in either rainy or sunny conditions. Please be advised that in the event of inclement/ unsafe weather, the program will be canceled. This is a special event hosted by the US Fish & Wildlife Service.

I, \_\_\_\_\_(Parent/Guardian Name), have read and understand the description of the activities my child/children will be participating in. My child is fit to participate in these physical activities. I hereby give permission to the U.S. Fish & Wildlife Service staff to photograph, record, video, and/or film my child during the Junior Wildlife Ranger Day. I hereby grant the US Fish & Wildlife Service permission to use my child's likeness in a photograph in any and all publications for government or non-government purposes, including website and social media entries, without payment or any other consideration in perpetuity. I understand and agree that these materials will become the property of the US Fish & Wildlife Service and will not be returned. I hereby give permission to allow my child/children to participate in the Junior Wildlife Ranger Day.
