**Red Wolf Program:** Join refuge staff in learning about the history and biology of Red Wolves. Programs include a talk about the Red Wolves and the ability to visit the exhibit Red Wolves at the Red Wolf Center. Scheduled program times are the only opportunity that visitors can view the exhibit Red Wolves. **No registration is required.**

**\*\*\*There is no guarantee that you will be able to see the exhibit Red Wolves as they are a shy and elusive species\*\*\***

**ecoEXPLORE:** In partnership with the Tyrrell County Library, join refuge and library staff for monthly ecoEXPLORE programs at Tyrrell County Library. Developed by The North Carolina Arboretum, ecoEXPLORE is an innovative program that combines science exploration with kid-friendly technology to foster a fun learning environment for children while encouraging them to explore the outdoors and participate in community science. To learn more, visit [ecoexplore.net](https://ecoexplore.net).

**Pocosin Arts Program:** Offered September through May, join refuge and Pocosin Arts School of Fine Craft staff for monthly creative art projects that engage families in wildlife and nature themed crafts and activities. Weather permitting, participants will go outside to explore the natural world along the Scuppernong River. Please RSVP for these free programs at <https://pocosinarts.org/classes-events/community/>.
