

M/V *Selendang Ayu* Oil Spill
Natural Resource Damage Assessment and Restoration

Trustee Resolution 2025-02:

Public Release of Final Damage Assessment and Restoration Plan
and Environmental Assessment for Marine Resources
for the M/V *Selendang Ayu* Oil Spill

1. *Whereas*, the United States Department of the Interior (DOI), acting through the United States Fish and Wildlife Service (USFWS), the United States Department of Commerce, acting through the National Oceanic and Atmospheric Administration, and the State of Alaska, acting through the Departments of Environmental Conservation (ADEC), Fish and Game (ADFG), Law (ADOL), and Natural Resources (ADNR), are the six Natural Resource Trustee agencies (Trustees) responsible for the natural resource damage assessment and restoration (NRDAR) associated with the 2004 M/V *Selendang Ayu* oil spill that occurred along the northern shore of Unalaska Island, Alaska;
2. *Whereas*, the Trustees entered into a Memorandum of Understanding, effective August 10, 2018, for the purposes of coordinating the performance of their trust responsibilities;
3. *Whereas*, due to divergent timelines for the damage assessment for marine resources and the other injury categories, the Trustees have agreed to develop phased restoration plans; and
4. *Whereas*, the Trustees held a 30-day public comment period for the Draft Damage Assessment and Restoration Plan and Environmental Assessment for Marine Resources (DARP/EA), which is for the restoration of marine resources only, while marine mammals, birds, and the human uses of natural resources impacted by the spill will be addressed as part of a separate restoration plan;
5. *Whereas*, the Trustees have reviewed and considered the public comments received on the Draft DARP/EA prior to issuing a Final DARP/EA.
6. *NOW, THEREFORE, BE IT RESOLVED*, that the Trustees approve the release of the Final Damage Assessment and Restoration Plan and Environmental Assessment for Marine Resources for the M/V *Selendang Ayu* Oil Spill;
7. *RESOLVED*, that this Resolution may be authorized in counterparts; and
