Nocona Unit

Hagerman National Wildlife Refuge Regulations 2026–2027

Welcome

The Nocona Unit of Hagerman National Wildlife Refuge, established in 1992, consists of 822-acres located in Montague County, Texas. The habitat is mostly open, gently rolling topography with a variety of native grasses on the uplands and riparian areas along East Belknap Creek.

Safety

Portions of the refuge may not have cell phone coverage. Venomous snakes including copperhead, cottonmouth, timber rattlesnake, diamondback rattlesnake, and pigmy rattlesnake along with a variety of biting and stinging insects may be present.

General Information

The Nocona Unit is part of the TPWD Public Hunting Lands Program (Unit #513). An Annual Public Hunting Permit (\$48) is required to hunt on this Unit. All other uses of this unit (i.e. wildlife observation and photography, birdwatching, hiking) require a Limited Public Use Permit (\$12). Both permits are available by calling 1-800-TX-LIC-4U, ordering online at www.txfgsales.com, or by visiting any retail hunting and fishing license dealer.

When accessing the Unit, Electronic On-Site Registration using the TPWD "MyTexasHuntHarvest" mobile app is required. Hunting as per state regulations unless otherwise noted.

All visitors must also sign and carry a refuge information sheet (this sheet) which is available in the Self Check-in Box at the parking area or by visiting:
<https://www.fws.gov/refuge/hagerman>

Accessibility

Refuge staff will accommodate hunter access needs related to impairments to the extent possible. Please call 903-786-2826 to make a request or for more information.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use(discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).

Vehicles

All motorized vehicles including ATVs, UTVs, and ORVs are prohibited.

Hunting Regulations

Hunting regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

Hunting will be in accordance with applicable Texas regulations subject to the conditions stated below:

Legal species are: white-tailed deer, feral hog, squirrel, rabbit, turkey, and dove in the permitted seasons. Taking of coyotes, bobcats, or any other species at any time is prohibited.

Access

WHEN: Hunters may only access the refuge two hours before legal sunrise until one hour after legal sunset.

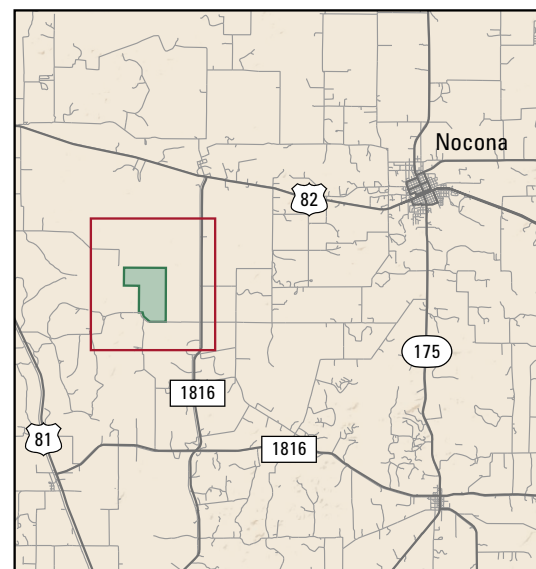

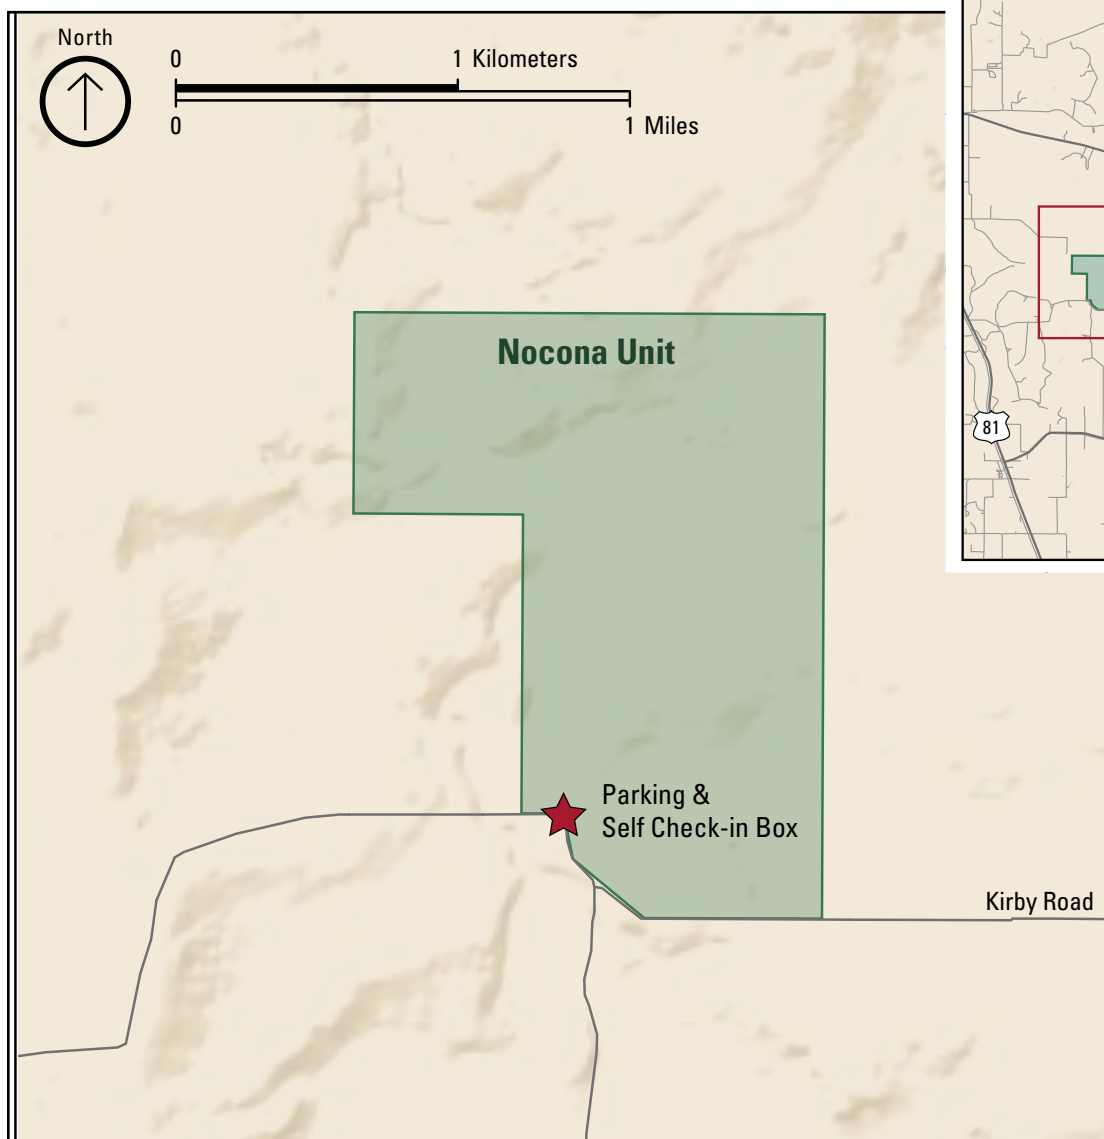

WHERE: Hunters must park in the designated parking area (as identified on the map below) or along Kirby Road (without blocking traffic). Entry into the unit is by foot or bicycle only. Access to the Refuge from private property is prohibited.

Tree Stands

Tree stands, elevated platforms, and ground blinds are allowed and must be removed from the refuge each day.

Harvest Reporting

Harvest reporting through TPWD Texas Hunt & Fish mobile app is required.
