

INTERACTIVE WAYFINDING REFUGE MAPS

Wayfinding maps for Blackwater's hunt units and trails, and Eastern Neck's hunt map, are available for use with any smartphone app designed to utilize a geospatial PDF map. These apps, such as **FO Maps (FaenaOffline)**, use your phone's GPS to find your location, and do not require cell service.

1. Download and install an app designed to utilize geospatial PDF maps from the App Store or Google Play.
2. Using the phone's browser (Safari, Chrome, etc.), go to the refuge's web site:
 - <https://www.fws.gov/refuge/blackwater/>
 - <https://www.fws.gov/refuge/eastern-neck>
3. Scroll down and touch "View Our Library".
4. Scroll down and touch "Blackwater (or Eastern Neck) Geospatial PDF Maps".
5. Touch the map you want; the download screen will open. Download and save the file to your phone's memory. This process will vary according to your operating system.

For iPhone

For Android

6. To utilize the map, "Open With" or "Share" the file to your geospatial PDF app, or import the map from within the app.
