Red Wolf Program: Join refuge staff in learning about the history and biology of Red Wolves. Programs include a talk about the Red Wolves and the ability to visit the exhibit Red Wolves at the Red Wolf Center. Scheduled programs are the only opportunity that visitors can view the exhibit Red Wolves. **No registration is required.**

*****There is no guarantee that you will be able to see the exhibit Red Wolves as they are a shy and elusive species*****

Pocosin Arts Collabs: Offered September through May, join refuge and Pocosin Arts School of Fine Craft staff for monthly creative art projects and activities that engage families in wildlife education and nature. Weather permitting, participants will go outside to explore the habitats located along the Scuppernong River. **Registration for these free, family-friendly programs is required.**

Reserve your spot at <https://pocosinarts.org/classes-events/community/>

ecoEXPLORE: Join refuge staff for monthly ecoEXPLORE nature programs where every participant can become a community scientist and complete fun wildlife and nature activities while earning points! Developed by The North Carolina Arboretum, ecoEXPLORE is an innovative program that combines science exploration with kid-friendly technology to foster a fun learning environment for children while encouraging them to explore the outdoors and participate in community science. To learn more, visit ecoexplore.net. **No registration is required.**
