

Piedmont

National Wildlife Refuge Hunting and Fishing Regulations 2026-2027

Piedmont Refuge is part of a system of more than 560 National Wildlife Refuges, which provide for the conservation and management of habitats to benefit fish and wildlife. The refuge uses a variety of management techniques, primarily timber harvest and prescribed burning to sustain a healthy pine/hardwood forest. The refuge strives to provide quality hunting and fishing opportunities when compatible with the refuge management objectives.

The refuge is open to the public year round for visitation and pre-hunt scouting during day light hours. Restrictions to visitation apply during refuge quota hunts and areas subject to closure for refuge management. Check with the refuge office for updates.

General Hunt Regulations

Public hunting is permitted on approximately 34,000 acres of Piedmont National Wildlife Refuge with a refuge hunt permit. Areas closed to hunting are marked with signs and orange paint. The refuge boundary is marked with signs and yellow paint.

In addition to Federal regulations, State Game and Fish laws and regulations are adopted and in effect,

unless they have been further restricted by Federal laws or regulations. Licenses, permits, all hunting and fishing equipment and effects, and vehicles or other conveyances are subject to inspection by Federal and State officers.

Camping by permitted hunters in Pippins Lake Campground is authorized only during big game hunts. For deer archery and the youth/wheelchair deer hunt, the campground will open at 8am the day prior to the hunt and close at 11 am the day after the hunt.

For the quota deer and turkey hunts, access is only

allowed the week of the issued hunt permit (Monday-Sunday). Hunters participating in more than one quota hunt, not including the youth /wheelchair hunt, may leave campers in the campground between quota hunts at their own risk.

Hunter access is permitted from two hours before sunrise to two hours after sunset during refuge big game hunts.

Disposal of carcasses or entrails

Permitted refuge hunters and fishermen may dispose of carcasses and entrails of game and fish legally taken from the refuge on the refuge. Carcasses and entrails may not be placed within the campground, any dumpster, or within 25 yards of any road, trail, gate, boat ramp, stream, lake, parking area or private property.

Hitchiti Experimental Forest

The Hitchiti Experimental Forest adopts all hunting rules, regulations and seasons as Piedmont National Wildlife Refuge.

Hunter Education/Children

Children age 15 and under must remain within sight and normal voice contact of an adult age 21 or older possessing a valid hunting or fishing license to hunt or fish on the refuge.

Youth hunters, age 15 and under, may hunt on quota hunts with a permitted adult at no cost. Hunters age 16 and over are required to have a paid quota hunt permit.

For youth 15 and younger, print the adult's quota permit and write in name and age of the youth. This will serve as the youth's quota permit. You may print multiple copies of your permit for each child as needed. Children must be supervised at all times on the refuge including in the campground.

Big Game Hunting

No hunter sign-in is required.

Piedmont National Wildlife Refuge Hunting and Fishing Permit 2026-2027

When signed and in your possession, this brochure serves as your permit for fishing, small game, youth deer, deer archery, and raccoon hunts. Your signature acknowledges your understanding of the regulations contained herein. Quota hunts require an additional Refuge specific special use permit.

You must have this brochure in your possession for ALL hunting and fishing, in addition to state license requirements.

Signature

Harvest counts toward a hunter's season limit for all hunts, including quota primitive weapon and rifle hunts. Deer harvested must be recorded on the State of Georgia Game Check System for Piedmont NWR including the state harvest record.

Hunter orange or fluorescent pink is required to be worn during all deer firearm hunts. At least 500 square inches of hunter orange or fluorescent pink must be worn as an outer garment above the waist.

During refuge quota turkey hunts, harvest counts toward a hunter's season limit of two gobblers. Refuge limit is one gobbler. **Turkeys harvested on the refuge must be recorded on the State of Georgia Game Check System for Piedmont NWR including the state harvest record.**

Small game hunting is not permitted during refuge deer hunts.

Youth and Wheelchair Deer Hunt

The refuge will hold a combined deer firearms hunt for youth and wheelchair-bound hunters.

Youth must be accompanied by a non-hunting adult age 21 or older in possession of a valid hunting and big game license. Only youth between the ages of 10 and 15 on the days of the hunt may participate in the youth deer hunt. Adults may not hunt during the youth deer hunt.

Wheelchair-bound hunters must submit medical documentation stating they are confined to a wheelchair for mobility. A special access permit will be issued for one interior refuge foot travel road. Contact the Refuge Office for information concerning this hunt.

Tree Stands/Hunting Blinds

Tree stands and hunting blinds may be placed the day prior to each big game hunt and must be removed by 11 am the day after the hunt.

Small Game

During the Refuge small game season only squirrel, rabbit, and quail may be taken. Weapons are limited to firearms and archery equipment listed in the state game laws for small game.

Squirrel, rabbit, and quail hunting are not permitted during refuge deer hunt dates. **Hunter access is permitted from one hour before sunrise to one hour after sunset.**

Daily limit for fox squirrel is now one per day.

See special dates for refuge raccoon and opossum hunts.

Hunting dogs may be used to hunt squirrel, rabbit, quail, raccoon, and opossum. Hunters using dogs may not hunt from their vehicle by driving while dogs are out hunting along roads. Hunters must be out of their vehicle and off roads open to vehicle traffic.

During raccoon and opossum hunts permitted weapons are limited to .22 cal or smaller rim fire firearms. Hunting hours are from 6 pm to 6 am during specified dates only.

Sport Fishing Regulations

- Fishing is open March 15 - September 30, from sunrise to sunset.
- Fishing is permitted in ponds designated as open to fishing.
- Refuge streams are open for bank fishing in all areas not designated as "Area Closed."
- Species and limits: BASS - 5 (at least 10 inches in

length); CATFISH - 5; BREAM - 15; CRAPPIE-15

- Fishermen may not use or possess fish (minnows) for bait.
- Fishermen may use only rod and reel or pole and line to fish. Two poles per person allowed.
- Fishermen may not possess, place, or throw feeds to attract fish.
- Fishermen may not use or possess alcoholic beverages while fishing on the refuge.

Boats

Non-motorized boats or boats with electric motors are permitted in all ponds open to fishing only during fishing season. Gasoline motors are prohibited. Boat ramp access is available only at Allison Lake and Pond 2A.

State boating laws and equipment requirements are in effect on refuge waters.

Allison Lake, Pond 2a, Pond 11a, and Pond 11b have been treated for Hydrilla, an invasive aquatic plant. The refuge will continue to monitor all ponds and may restrict access if invasive species are identified. After fishing or boating always clean your fishing equipment, boat, trailer and vehicle before leaving the site. This can help stop the spread of invasive plants or animals to the next lake or river you visit.

Commercial and Special Use Activities

No person, including but not limited to a guide, guide service, outfitter, club, or other organization shall provide assistance, services, or equipment on the refuge to any other person for compensation. For the purpose of this regulation, any fee paid or services rendered to a person for lodging, meals, club membership or similar services will be considered

compensation. Violations of this regulation subjects each hunter, fisherman, or member in the party to a fine if convicted of this violation.

A refuge Special Use Permit is required for all commercial activities or activities not designated as open to the public including but not limited to tours, research, collecting plants or parts of plants; collecting wildlife, mussels, mushrooms, or other resources.

How to get Refuge Permits

Refuge permits are required for all hunters and fishermen and anyone who accompanies them. In addition to refuge permits all state license requirements must be met. Refuge permits are NOT transferable.

When signed, this brochure serves as your permit for fishing, small game, raccoon, youth deer hunt and deer archery hunts. Permits are available electronically from the refuge web page at www.fws.gov/piedmont or from the Piedmont Refuge page on www.recreation.gov. You may download the pdf to your device or print the brochure to serve as your permit.

Wheelchair-bound hunters must provide medical documentation stating that they are confined to a wheelchair for mobility to be eligible to participate in the wheelchair deer hunt. Contact the refuge office prior to September 15.

NEW- Quota deer and turkey hunt permits must be purchased from Piedmont Refuge's Recreation.gov page at <https://www.recreation.gov/camping/gateways/1565>.

Information will be posted on Recreation.gov and the refuge web page for how and when you buy hunt permits. These are limited quota hunts but will no longer be selected by lottery.

Contact the refuge office for more information or to report any violations of refuge regulations 478-775-4907.

General Prohibited Activities

- Taking, collecting or disturbing any artifact, property, plant, wildlife or part thereof; other than that specifically permitted by refuge regulation
- Taking or possessing frogs, turtles, snakes, or other amphibians or reptiles
- Entering refuge during deer firearms hunts without a refuge quota hunt permit
- Entering refuge hunt areas during refuge turkey hunts without a refuge quota hunt permit
- Possession or use of alcoholic beverages except in the designated camping area. Possession of alcoholic beverages by persons under age 21.
- Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).
- Hunting or shooting from or within 50 yards of a road open to vehicle travel or 200 yards of a building
- Possess or hunt with buckshot
- Target shooting or non-hunting discharge of firearms
- Discharge of weapons in the campground
- Possess or use of any suppressor on any firearm
- Possess, place, and/or hunt over any feed or attractants (baiting)
- Use of trail or game cameras or leaving any other electronic device on the refuge
- Possess or use of any night vision or thermal imaging equipment
- Possess or use of any electronic calls
- Man-drives for deer defined as an organized hunting technique involving 3 or more hunters using a coordinated effort to drive deer from cover to another hunter for the purpose of shooting.
- Training dogs or release of birds
- Falconry
- Driving metal objects into trees or hunting from a tree in which metal objects have been driven
- Marking trails with flagging, blazing, painting, paper, trash or other devices
- Off road vehicle travel. Vehicle travel is limited to open graveled roads unless posted otherwise
- Use of ATVs, UTVs, golf carts or other off road vehicles
- Leaving vehicles, boats, or trailers on refuge overnight
- Overnight camping and/or parking, except as permitted during big game hunts and only in Pippins Lake campground by permitted hunters
- Blocking refuge road, boat ramp, or gate with vehicles or vehicle travel around a closed gate
- Bicycles on foot travel roads or off road; Bicycles are restricted to gravel roads designated open to vehicles
- Disturbing, annoying, or interfering with other persons
- Use audio equipment, noise making devices, or generators after 10 pm or before 6 am in the campground
- Possess or use of drones or unmanned aerial vehicles (UAVs)
- Open fires except in the designated camping area
- Unleashed pets
- Littering
- Horses or mules
- Trapping
