E. EXPORT OR RE-EXPORT OF PRE-CONVENTION, PRE-ACT, OR ANTIQUE SPECIMENS (CITES, MMPA OR ESA)

Description	Applicable Date
pre-Convention (CITES)	Specimen was acquired (removed from the wild or born or propagated in a controlled environment) before the date CITES applied to it. The CITES listing date can be found at http://www.cites.org .
pre-Act (ESA)	Specimen was held in a controlled environment on or before (a) December 28, 1973 or the date when the species was listed under the ESA, and (b) the holding or use was not in the course of a commercial activity (e.g., it has not been bought, sold, or offered for sale by you or anyone else) since December 28, 1973, or the date when listed under the ESA.
Antique (ESA)	Specimen is not less than 100 years old, has not been repaired or modified on or after December 28, 1973 with any part of any species protected by ESA and a) has entered at a port ¹ designated for the import of ESA antiques or b) there is documented proof that the specimen was in the United States prior to September 22, 1982.
pre-MMPA	Specimen was taken prior to December 21, 1972.

CITES - Convention on International Trade in Endangered Species of Wild Fauna and Flora
MMPA – Marine Mammal Protection Act
Act or ESA – Endangered Species Act

Provide the following information. Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you submit, indicate the application question number you are addressing.

Note 1: For shipment of Brazilian rosewood (*Dalbergia nigra*), submit form [3-200-32](#).

Note 2: Finished products of some timber species, such as big leaf mahogany, are not covered under CITES (only logs, sawn timber, and veneer), while other finished products of species require CITES documents. If you want to export furniture or other finished products containing CITES-listed wood, please contact the Division of Management Authority to determine if a CITES document is required.

Note 3: For fossilized walrus ivory removed from the wild after 1972, please use form [3-200-27](#).

Note 4: African elephant ivory: Raw ivory cannot be re-exported. Worked ivory that qualifies as an antique may be exported. For non-commercial exports, antique worked ivory may also be exported. In addition, worked ivory that was removed from the wild before February 4, 1976, and is part of either a household move or an inheritance could qualify to be exported. (For export of worked African elephant ivory that is contained in a musical instrument, please use form 3-200-88; for worked African elephant ivory that is part of a traveling exhibition, please use form 3-200-30). Please review our webpage "[What Can I Do With My Ivory?](#)" for important guidance and reminders.

Electronic submission of inventories, photographs, and receipts: If you wish to provide information electronically, please include a flash drive containing this information with your physical application.

¹ U.S. Customs and Border Protection (CBP) designated 13 ports for the entry of antiques made of ESA-listed species on September 22, 1982 (19 C.F.R. 12.26). The following ports are authorized: Boston, Massachusetts; New York, New York; Baltimore, Maryland; Philadelphia, Pennsylvania; Miami, Florida; San Juan, Puerto Rico; New Orleans, Louisiana; Houston, Texas; Los Angeles, California; San Francisco, California; Anchorage, Alaska; Honolulu, Hawaii; and Chicago, Illinois.

1. Name and address where you wish the permit to be mailed, **if different from physical address**. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.

2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?

3. Have you or your client (if a broker applying on behalf of your client), been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?
 ___ No ___ Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

4. Type of Activity: ___ Export
 ___ Re-export (e.g. exporting a specimen that was previously imported into the United States)

5. For EACH specimen being exported/re-exported, please provide the following: (You may submit as a separate document, as long as the information is provided as outlined in the table.)

Scientific name (genus, species, and, if applicable, subspecies)	Common Name	Qty.	Description of Item (e.g., published description from a catalog or art book)	Size (include unit of measurement)	Date of Manufacture	Date of acquisition (e.g., bill of sale, U.S. Customs import declaration, transferred document)

- ii. If No, sign the following certification:

CERTIFICATION STATEMENT original signature is required

I certify to the best of my knowledge and belief that each of the items identified in question 1 was 1) held in captivity or in a controlled environment on December 28, 1973, or the species listing date, if later; 2) that the purposes of such holding were not contrary to the purposes of the Act; and 3) that the wildlife was not held in the course of a commercial activity (if you have questions about this certification statement, please contact the Division of Management Authority).

Applicant's signature: _____ Date: _____

11. If the specimen is protected under the **Marine Mammal Protection Act**, provide an affidavit and supporting documentation that the item was taken prior to December 21, 1972, as outlined in [50 CFR 18.14](#). For cetacean (whales) and pinniped (seals and sea lions; not walrus) specimens, provide either a copy of NOAA Fisheries letter of authorization or evidence that NOAA Fisheries has been contacted.
12. If **Re-export** provide:
 - a. A copy of canceled CITES export or re-export document issued by the appropriate CITES office in the country from which the wildlife was imported; and
 - b. Cleared Wildlife Declaration for Import form 3-177, animal only.
13. Is this shipment a sample collection being exported for temporary exhibition or display purposes and accompanied by a valid ATA carnet?
 No Yes - provide ATA carnet document number _____
14. For **live animals**, the transport conditions must comply with the CITES Guidelines for Transport of Live Animals or, in the case of air transport, with the International Air Transport Association (IATA) live animal regulations (contact airline for information). As such, describe:
 - a. The type, size, and construction of any shipping container; and,

 - b. The arrangements for watering or otherwise caring for the wildlife during transport.

Be aware that there may be additional permitting or approval requirements by your local or state government, as well as required by other Federal agencies or foreign government to conduct your propose activity. While the Service will attempt to assist you, it is your responsibility to obtain such approval.

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information to average 45 minutes, including time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: BPHC, Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov.
