

E. REGISTRATION OF APPENDIX-I COMMERCIAL BREEDING OPERATIONS (CITES)

If you are applying for initial registration of an Appendix-I commercial breeding operation, complete section E. If you are applying for renewal of an existing registration, complete section F.

Please respond to all questions in either section E or section F. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper and indicate the number of the question you are addressing. If possible, please also send your response electronically, which allows us to more easily forward the relevant materials to the CITES Secretariat.

Electronic submission of inventories, photographs, and receipts/invoices: For hard copy submissions, if you wish to provide information electronically, please include a flash drive containing your information with your physical application.

1. Name and address where you wish the permit to be mailed, **if different from physical address**. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.
2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?
3. Have you or any of the owners of the business (if applying as a business, corporation, or institution), been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?

No Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

4. Name and address of the owner and manager of the captive-breeding operation.
5. Date of establishment.

12. Past (going back 10 years), current and expected annual production of offspring and, where possible, information on:
 - a. the number of females producing offspring each year; and
 - b. unusual fluctuations in the annual production of offspring (including an explanation of the probable cause).

13. An assessment of the anticipated need for, and source of, additional specimens to augment the breeding stock to increase the genetic pool of the captive population in order to avoid any deleterious inbreeding.

14. Contingency measures for the safe disposal of captive stock in the event that the operation is closed.

15. Type of wildlife product you plan to export (such as live, skins, hides, other parts, or products).

16. Detailed description of the marking methods (e.g. bands, tags, transponders, branding) used for the breeding stock and offspring and for the types of specimens to be exported (e.g. skins, meat, live animals).

17. Description of the inspection and monitoring procedures used by local, State, and/or Federal authorities to confirm the identity of the breeding stock and offspring.

18. Description of the facilities to house the current and expected captive stock, including security measures used by operation to prevent escapes and/or thefts. If applicable, please provide information on how holding facilities are in compliance with local, State, and Federal regulations for housing, husbandry and security of specimens. Detailed information should be provided on the number and size of breeding and rearing enclosures, egg incubation capacity, food production or supply, availability of veterinary services, and record-keeping.

19. Description of the strategies used by the breeding operation, or other activities, that contribute to improving the conservation status of wild population(s) of the species.

20. Assurance that the operation will be carried out at all stages in a humane (non-cruel) manner (for example, in accordance with local, State, or Federal governmental ordinances and/or guidelines developed by professional societies or non-governmental organizations).

F. RENEWAL OF EXISTING REGISTRATION (CITES):

21. CITES Registration number: _____
22. Name of the owner and manager of the captive-breeding operation.
23. Does your operation report to the FWS Migratory Bird Program (MBP)?
24. If yes, to which MBP office do you report?
25. In the last 5 years, have you added any new breeding stock that was not reported to the MBP? If yes, please provide the following information:
 - a. Age, sex, identification (such as band or tag number, transponders, or distinguishing marks, and origin (that is, wild-caught or captive-bred) of each new specimen.

 - b. Evidence of legal acquisition of each new specimen, including receipts, CITES documents, capture permits, etc. [[Refer to Resolution Conf. 12.10 \(Rev. CoP15\)](#)].
26. In the last 5 years, has your annual production changed? If yes, please describe.
27. In the last 5 years, have you made changes to your breeding facilities? If yes, please describe.
28. Do you wish to export any products other than those noted in your original application for registration?
29. If yes, please provide a detailed description of the marking methods (e.g. bands, tags, transponders, branding) used for the breeding stock and offspring and for the types of specimens to be exported (e.g. skins, meat, live animals)

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information to average 40 hours, including time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: BPHC, Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov.
