What problem or issue are you trying to address? (Clearly state the problem to be solved or a situation that should be corrected.)

How should the new regulation read? (Indicate if it is a change to season dates, species of bird/eggs open to hunting, area open to hunting, methods and means, or harvest limits)

To what geographic area does this regulation apply? (Is it a statewide, regional, or local regulation? If it pertains to a local area, please describe where it applies.)

What impact will this regulation have on migratory bird populations?

How will this regulation affect subsistence users?

Why should this regulation be adopted?

Please attach any additional information that supports your proposal.
