

# Ausable River - North Fork Water-Use Advisory Area

All residents within the advisory zone  
have been contacted in advance  
and their water use needs have been accommodated.  
Advisory zone public access sites are posted  
while the advisory is in effect.

The New York State Department of Health  
advises that the water in the advisory area NOT BE USED  
for DRINKING, DOMESTIC USE, FISHING, SWIMMING,  
IRRIGATION, or LIVESTOCK WATERING while in effect.  
Citizens not located within the advisory zone  
are not subject to the advisory
