

Crab Orchard

National Wildlife Refuge Hunting Regulations 2023–2024

Welcome

Crab Orchard National Wildlife Refuge was established in 1947, with four broad management objectives: to provide wildlife conservation, agricultural development, recreational use, and industrial operations. The unity of these elements fashion the refuge as one of the most unique in the National Wildlife Refuge System. For managing the hunting program, the lands within the refuge have been divided into an Open Area and a Special Hunt Area. The Special Hunt Area contains 21,000 acres and is open to public hunting by special permit. The Open Area contains 23,000 acres and hunting is permitted in accordance with state hunting seasons.

Safety

Special Hunt Area hunters must check in at the visitor center to obtain an Unexploded Ordnance Safety Fact Sheet prior to entering the hunting area. Safety Special Hunt Area hunters must check in at the visit

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32.)

Ammunition

The possession of lead shot is prohibited refuge wide, except:

- During deer hunts, lead ammunition legal for taking deer may be used.
- Small game and furbearers may be hunted with .22 and .17 caliber rimfire lead ammunition during open season.
