Juliette;

This web site takes a person to the AMA Map for Arizona:

<https://new.azwater.gov/ama>

This website takes a person to the Tucson Active Management Area, and discusses AMA Goal (including statutes), AMA Description, and AMA Challenges:

<https://new.azwater.gov/ama/tucson>

This is all under the Arizona Department of Water Resources official website

Thank you for sharing this uphill for us, Bill Radke

### [Active Management Area Overview | Arizona Department of Water Resources](#)

Management plans for each Active Management Area reflect the evolution of the Groundwater Code, moving Arizona toward its long-term water management goals. The plans include mandatory conservation programs for all persons withdrawing, distributing or receiving groundwater designed to achieve reductions in withdrawals of groundwater.
