It is looking like Wednesday will be the best day for SWVC, USBP, and BLM. Can USFWS be available to meet on Wednesday Morning too? Thanks.

We are looking at meeting at the SWVC DGL HQ at 10:00AM (AZ Time).

**Respectfully.**

Hi Amanda,

Thanks for setting up this visit.

For FWS, as the lead for National Wildlife Refuges in this area, Steve Reagan will work with Refuges staff to arrange FWS representatives who work in the locations on the ground to be engaged with the site visit.

As you know, we remain very interested in this topic and appreciate the efforts by CBP to create these openings and place them strategically.

Thanks again,

Julie

On Friday's DOI working session, we mentioned setting up a site visit this week for FWS and BLM to visit the areas where they planned to install wildlife passages in the Tucson 3 project area (near Douglas). It looks like Wednesday or Friday is best for Border Patrol. Please advise as to who the best representatives are to participate in this visit from FWS and BLM, and if they are available this Wednesday or Friday.
