FYI

Funny, Aaron didn't call me as I requested....

My two points were going to be:

- 1) (b) (5)
- 2) (b) (5)

But here's the 1 pager.

Aaron,

Here you go!

I think this reads a bit better. Give me a call when you open it though...I want to talk real quick on two things....

ext. 6928

I like the one with the trees at land surface, and it's all in blue.

Send it and I'll make changes for you....
