Hi Emily,

Here is a map depicting the pond and monitoring well locations for San Bernardino.

Thank you,  
Cassandra

Hi Emily,  
Bill asked if I would provide you with some of our rough monitoring data asap. Attached are a couple documents that I could quickly pull together for you. Also, our biologist Cassandra will reply to all of us today with a map of the wells that she monitors on SBNWR.

Thank you and let me know if you have any questions.
