USFWS ITP response 02252021.pdf;

Hello Dave - Please see attached a letter summarizing our feedback on the lynx ITP application materials. Please let us know if you have any questions. We would be happy to set up another discussion after you've had a chance to review the comments.

Additionally, I want to introduce Megan Kosterman to the group. She will be the staff leading working on this project for the Service.

Thanks!
