FYI, a valid observation from east of Ely. Be sure to check out the youtube video of Matt releasing the cat from his trap.

Tam/John, it is not clear that he reported it to either DNR or FWS enforcement, but I don't see that he did anything that warrants concern.

Happy Holidays,

Rich

Thanks for forwarding the message and video, Rich.

I've included Pat Lund on this email in case FWS Enforcement was not contacted.

fyi - I keep a database of trapping and other incidents, so I may contact Matt for additional info. (e.g., location).

Happy Holidays,

Tam
