Hi Herrick,

I'm trying to track down a report from 1993 - Newberry, G. 1993. Progress Report on Monitoring Studies of *Hexastylis naniflora*. Unpublished.

Monitoring was conducted at Peter's Creek Heritage Preserve. Do you all have a copy?

Thanks.

Hi Rebekah,

I think I've found it. Are you only interested in this one? I found another report for populations around Lake Saranac also dated 1993.

Rebekah,

Scanned copies attached. We have about ½ bankers box full of files dating back to the 1970s at least on this species. Some of it is pretty dated, but let me know if you come across something else that seems relevant to current efforts.

Cheers,

Herrick
