Subject: ABB Surveys for the R-Project - Public Inquiry
Date: Thursday, July 30, 2020 3:35:59 PM

Hi Jeff,

Jim Ducey called Bob today and indicated there is ABB sampling ongoing in the road right-of-way between Thedford and the Dismal River in Thomas County. He asked if the sampling was for the R-Project. Since neither of us work on the R-Project, I let him know that I would contact you and you could get back in touch with him and let him know.

Here is his email: sandhills.jim.ducey@gmail.com

Thanks,

Eliza Hines
