No worries on sharing! If I recall, there is a wind energy EIS out there. Early 2000's?

Dana,

I hope it's ok - I just sent an email to RO folks asking if they've heard of a Wind Energy Programmatic EIS with WAPA in LR6. Then I looked back and saw that you said don't share for now. Sorry I acted hastily. Hope that is ok.

Hey there,

See below a very complicated e-mail. Please don't share for now—let's try to get our arms around what is at issue here. (b) (5)
