I think that captures it well, and allows us to continue on a purposeful path.

Hi Jeff.

Do you have a few minutes to discuss Sandi's email?

Hi, Tyson. I hope you are doing well. I have a status call with NPPD tomorrow, and I'd like to be able to provide an update about where we are with the understanding of the 4(d) rule. Do you have anything you could share? If not, do you have a sense of when you might be able to provide some feedback on the Service's thinking?

Thanks again for your assistance in this matter.

Sandi
