Subject: R-Project
When: Tuesday, July 20, 2021 3:00 PM-4:30 PM.
Where:

I know that we have not heard back from everyone, but there is a need to keep moving on our evaluation of the R-Project. The meeting is a follow-up discussion about Joe's proposed methods (attached). Please copy this group on any comments/questions by the end of this week, so we will be better prepared for the meeting.
