We can discuss if needed. I think Mr. Ducey should contact NPPD because they were the ones surveying and can best answer questions. Have talking points available that we developed earlier. Ducey is persistent, so best to forward to NPPD soon.

Hi Drue,

My meeting ran long, so I could not get this important message to you earlier. See email from Mr. Ducey. Tomorrow is my off day, and I will be busy processing game. However, I can be checking emails during breaks. I did not want this to sit until next Tuesday.

Jeff

A survey at this ranch occurred in June 2020 so could you please provide particular details. Obviously beetles were found as one was used as a prop for a self-promotion picture.
