Good add!

On Jun 18, 2020, at 5:52 PM, Munoz, Anna <anna_munoz@fws.gov> wrote:

DOJ was good with your edit. They also added this to the last sentence (highlighted language is new).

NPPD and FWS worked for years to develop the HCP at issue in this case, including conducting public involvement and review under the National Environmental Policy Act and additional analyses under the National Historic Preservation Act.

I am assuming you won't have an issue with this last part as it actually strengthens our statement and is also factual. Will be forwarding to HQ tonight.
