Mr. Ducey,

I just realized that I may not copied your entire email address correctly in my initial email. Please respond to let me know that you received this email.

I was able to discuss American burying beetle surveys with NPPD today, and they are conducting surveys in the area referenced below.

Hello Mr. Ducey,

My supervisor, Eliza Hines, forwarded your inquiry about American burying beetle surveys around Thedford and the Dismal River in Thomas County. I will check with NPPD officials to

see if they are surveying in that area and will get back to you.

Jeff
