Response

We are writing to provide a final response to your request. We have enclosed five files consisting of two hundred and thirty-two (232) pages, which are being released to you in their entirety. Portions of these pages includes information about particular individuals, in which you amended your request to exclude this information.

Fees

We do not bill requesters for FOIA processing fees when their fees are less than \$50.00, because the cost of collection would be greater than the fee collected. *See* [43 C.F.R. § 2.37\(g\)](#). Therefore, there is no billable fee for the processing of this request and your fee waiver is moot.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
