Hi all,

Sharing as an FYI with you to keep you in the loop on the draft grizzly bear SSA for the 5-year review. This SSA will cover grizzly bears throughout the coterminous US. Please do not share further at this time. Marj and I are planning on attending the virtual RTM in December. We are still waiting to hear whether Robyn is going to join - she was invited by Matt Hogan in Legacy R6, who is planning on attending. Brad Thompson and Chris Swanson are planning on attending.

Let me know if you have any questions,

Jesse

Subject: draft SSA in preparation of RTM

Hello everyone,

Attached is the draft SSA for review prior to the RTM. It has been revised based on peer and partner

review; however, there are a few comments that we are still addressing. We do not believe that these will change the decision but we will provide you with a summary of those items that we are working on shortly and give an overview of those edits during the first part of the RTM.

A reminder that the RTM is December 2nd (afternoon) & 3rd (all day), please reply to both days of the invitation.

Cheers!
