Lots going on for sure!

Here is the original complaint. We settled on the 5yr review issue (agreed to do it by March 2021), but the remaining claims are still open.

Will be interesting to see how it goes.

Wed at 10 works for me. I suppose a call is best, but we should get together at the new brewery when things get back to normal.

Thanks, Hilary. I hadn't known about this (lots going on I don't know about!), so yes, probably would be instructive for me to listen in.

I'm pretty sure I know who CBD is, but lately, have been thinking it has another meaning...never a dull moment, eh?
