Hi Chris. Here are my edits. I'll pass along anything Greg provides that is unique to the ones I provided. I asked for him (or others...Laura, Alicia, Shannon..) to get me comments by noon Thursday.

Thanks,

~S~

Sandi,

Let's discuss who and what process we should use to review at IFWO. I'll submit the final comments.

**Subject:** FOR INFORMAL/INTERNAL REVIEW: grizzly bear draft five-year status review

Hello grizzly bear team,

Thanks for your patience as we put the finishing touches on our draft five-year status review. Attached you will find our current draft of the five-year status review for grizzly bears in the lower-48 States. We would greatly appreciate your informal review and perspective on the document. **Please read and comment on the attached document by COB on February 5.** You can return a version with your comments/edits to me by email. The grizzly bear core team will then work to address your comments so we can start the surname process in late February. If there is anyone I have left off of this distribution list, you may loop them into this informal, internal review.

Feel free to reach out to me or other members of the core team with any questions or concerns!
